

Enhance your VISIBILITY

The Digital Ship Industry Directory has been designed to help users easily source relevant companies in a specific sector or location. All visitors to the website (circa 10,000 unique users per month) can browse the directory without charge – no login or subscription required.

The built-in search engine allows the user to search by sector, location or keyword.

Benefits of being listed on the Digital Ship Industry Directory include:

- Being featured on one of the leading maritime web sites in the world
- 12 months online exposure
- Company profile exposure to our 100,000+ visitors per year

Basic listing on the main directory page is free of charge.

Only the company name, country and telephone number will be listed.

Digital Ship

An enhanced listing offers a full page dedicated to your company and includes: your company description (500 words), company logo, list of offices, contact details and a contact form. There is an annual charge of GBP1000 for an enhanced listing.

Benefits of an enhanced listing include:

- Great coverage in your sector for the keywords that clients search for
- Full company profile (500 words), including contact details, photos, social media links
- Hyperlink to your company homepage
- Search engine by location, services and keywords
- Online inquiry/contact form

Companies that opt for an enhanced listing in the Industry Directory will also have the opportunity to publish their reports or guides in our White Papers section. Companies may submit 2 white papers per year with a maximum of 2500 words each. The aim of the White Papers section of our website will be to help inform our readers in making a decision on the best solution that will cover their needs and understand the technology/ solutions provided by each company. Our white papers section content will also be included in our weekly newsletter, offering further visibility.
