2022

Digital
Ship

A silhouette of a ship's superstructure, including masts and antennas, is set against a vibrant orange and red sunset sky. The sun is a bright, glowing circle in the center. The ship's hull is visible in the lower right, and the dark sea is at the bottom.

Digital options

E-blast - €1,800

We offer an email blast service, where you can send your personalised message directly to our audience of more than 8,000 industry professionals. Our list is GDPR compliant. (We provide activity report/ statistics upon request). Preferred format: HTML file. To hit modern browsers and mobile devices we recommend any html be presented no wider than 600 pixels and have no animated gifs. If animated gifs are used make sure the most relevant information is placed on frame one as some email apps will not produce the animation but freeze on this frame. No flash. No javascript.

Promotional message - €1,000

A promotional message on the Digital Ship newsletter enables you to highlight your news or product through text and an image. A promotional message is placed below the news on Digital Ship's newsletter and includes:

- ♦ A horizontal (600px w x 200px h) or vertical banner (230px w x 430px h)
- ♦ Header and 150 words of text
- ♦ Links to your website

Sponsored content - €850

Sponsored content enables you to highlight your news or product through a short word-only message. Sponsored content is placed within the news section of the Digital Ship newsletter and includes:

- ♦ Header and a short paragraph -approx. 50-80 words
- ♦ Links to your website

Sponsorship - €2,000 (net)

Sponsoring an issue of the digital edition of Digital Ship offers great exposure for your brand. A banner with your advertising message will be prominently displayed on the cover of the digital edition of the magazine. The email sent out informing our database of the issue will also include the name, banner and link of the sponsoring company, and can include a short promotional paragraph.

Video embedding

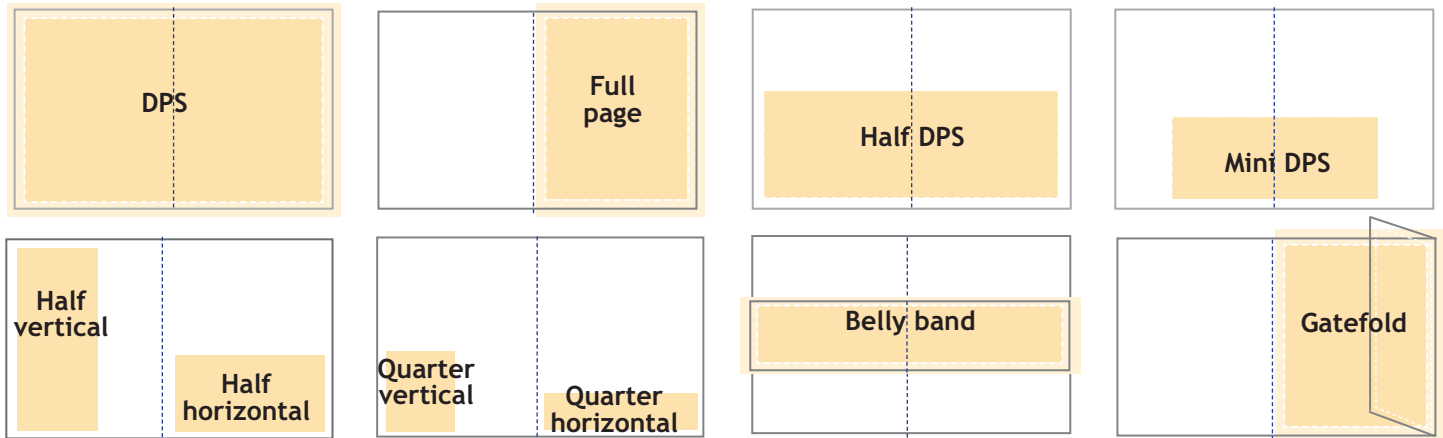

The digital edition of Digital Ship magazine offer more options to deliver your marketing message. Embedding a video into your advertisement is one of them. The content can be linked to a source such as YouTube or directly to your company website where you may have a call to action such as “sign up for more information here”.

A supplementary price will be added to the cost of your advertisement in the magazine.
